New CFO takes helm at Deckerville Community Hospital

Published: Thursday, February 25, 2010 8:28 AM EST

Teresa L. Martin, CPA is the new chief financial officer of Deckerville Community Hospital effective Feb. 15. Mrs. Martin is a resident of Lexington and has served in a number of accounting and financial positions, most recently as the controller of National Roofing and Sheet Metal Company in Burton. As an accountant and consultant, she worked with Conly & Johnson, P.C. in Flint from 1998-2007.

Mrs. Martin earned a master of science in professional accountancy degree (with honors) from Walsh College of Accountancy and Business Administration and a bachelor of science degree (with honors) in business administration from Ferris State University. She is a member of the American Institute of Certified Public Accountants, Michigan Association of Certified Public Accountants and has served as the CPA for St. Cecilia Society of Flint.

Theresa is the daughter of Elmer and Elva Henley who reside in Applegate. She and her husband Ken have been married for 27 years and have two daughters. Mrs. Martin replaces Caren Puvalowski who left Deckerville on Jan. 15, 2010.
