### ABOUT WALSH COLLEGE

**Mission** Walsh College delivers a business education that integrates application and theory to prepare graduates for successful careers.

**Core Areas of Excellence** Walsh College is an independent, non-profit institution that offers a broad range of business and related technology degree programs that are responsive to student, employer, and community needs. The College grants degrees at the bachelor's, master's, and doctoral levels. Programs have the appropriate blend of practical application and theory. Faculty possess related work experience and appropriate academic credentials. Walsh also provides continuing professional education for individuals and organizational development programs for employers. Courses and services are delivered at multiple locations throughout the Metro Detroit area and online. Students and clients receive convenient, personal, and knowledgeable service in a professional learning environment.

**Equal Opportunity Policy** Walsh College does not discriminate on the basis of race, color, religion, sex, age, marital status, height, weight, national or ethnic origin, veteran status or disability status in admitting students or in administration of its educational policies, scholarship and loan programs or other College programs.

**Accreditation** Walsh College is accredited by The Higher Learning Commission of the North Central Association of Colleges and Schools ([www.ncahlc.org](http://www.ncahlc.org)) and the International Assembly for Collegiate Business Education (IACBE, [www.iacbe.org](http://www.iacbe.org)).
