

# Annual Schedule Planning Guide

## GUIDE INFORMATION

This guide reflects the base schedule of classes offered each term. You are encouraged to use this to plan for future semesters. A few weeks prior to registration, the final approved schedule is posted on WebAdvisor. Check the final approved schedule for current information.

The guide is organized by course/location and lists the three upcoming semesters. It is updated and posted three weeks after the semester starts. Always refer to the date below for the most current information.

## **Updated March 2010**
