

National Honor Society

Delta Mu Delta

Delta Mu Delta is a national honor society in business administration founded in 1913 by five professors in the School of Commerce, Finance and Accounting at New York University. The Greek letters in the Society's name stand for *Dia Mathessos Dynamis*: "Through Knowledge, Power," the power to manage creatively for social and economic good.

The Gamma Eta chapter of Delta Mu Delta was established at Walsh College in 1976, becoming the 79th chapter nationwide. Currently, Delta Mu Delta chapters operate at 197 different colleges and universities throughout the United States and Canada.

Walsh College Alumni Association (WCAA)

Established in 1928, the Walsh College Alumni Association (WCAA) is here to serve its alumni through programs and special events including business-to-business networking, golf outings, casino nights, personal and professional development, exclusive discounts, and many other fun and professional events. Because the Walsh College Alumni Association is a non-dues based alumni association, all students are welcome to join us at any event, and are automatically admitted upon graduation.

Another highlight each year, is the awarding of the Distinguished Alumni Award to one graduate who holds a significant position of responsibility in his/her field, is active in professional

societies, performs volunteer services in the community, and supports the educational mission of Walsh College. Nominations for this award are accepted year-round and can be submitted to the WCAA Board of Directors or to the Alumni Relations office.
