How do I find an analyst report?

Business Insights: Global

1. In the search box, enter the company name or ticker: for example: kroger co or KR and click the Search button.
2. Under the company name, select the link, Investment Reports.

A list of available analyst reports displays.

- The Kroger Co: Business description, financial summary, 3yr and interim financials, key statistics/ratios and historical ratio analysis. - Mar 04, 2016 - Reuters Investment Profile - 12
- IMKTA: Q1 Results - Buy - Feb 09, 2016 - Gabelli & Company - 2
- IMKTA: Q4 Results - Buy - Dec 11, 2015 - Gabelli & Company - 2
- Good 3Q Results - Dec 04, 2015 - Hilliard Lyons - 9
- KR: Roundy's â€” A Distressed Asset with Good Strategic Rationale - Nov 12, 2015 - Pivotal Research Group - 10
- Company to Acquire Roundy's - Nov 11, 2015 - Hilliard Lyons - 7

LexisNexis Academic

1. Under Get Company Info enter the company name or ticker (best option). In this example, KR, the ticker symbol for Kroger Co has been entered.
2. Click the Go button.
1. Select the appropriate company link.
2. Click the go button.
3. Enter the ticker symbol.
4. Click on the Analyst Reports link on the left.
Select one of the available reports.

LexisNexis has a large number of other company reports, but they tend to be on the short side. You can click on the Other Reports and References links (in the left margin) to bring up a list.
