

How to I find an article in the Wall Street Journal?

Log into the Factiva database from the library portal.

If the article appeared within the last two weeks:

Select the **News Pages** tab.

WSJ is the first publication listed.

You can select a date going back 2 weeks from the drop-down menu.

You can also choose the section of the paper you need.

To search the entire two week period, in the **Search this Newsstand** box, you can enter keywords or the article title if you know it.

The screenshot shows the Factiva News Pages interface. The top navigation bar includes 'FACTIVA', 'Home', 'Search', 'Alerts', 'Newsletters', 'News Pages', and 'Companies/Markets'. The 'News Pages' tab is selected. On the left, there is a 'Quote List' for the 'United States' group, showing symbols like xDJII, xNCM, and xSPX with their respective last and change values. The main content area is titled 'Newsstand' and contains a search box with the text 'monsanto seeds and deu'. Below the search box, the results for 'THE WALL STREET JOURNAL' are displayed, including a date dropdown set to 'Tuesday, 03 May 2016' and a section dropdown set to 'Business & Tech'. A callout box with the text 'Select date and section' points to these dropdowns. The search results list several articles, with the first one being 'GoPro's Extreme Challenge: Phones'.

For an older article, here is how you would do the search:

Click **Search** at the top of the screen.

Then select the **Search Builder** link

In the **Free text box** enter hd=title of article (for example, hd=Monsanto seeds draw sharp fire over eu trade). Select all dates if you are not sure of the date; the default is 3 months..

The screenshot shows the Factiva Free Text Search interface. The top navigation bar includes 'FACTIVA', 'Home', 'Search', 'Alerts', 'Newsletters', 'News Pages', and 'Companies/Markets'. The 'Search' tab is selected. The main content area is titled 'Free Text Search' and contains a search form with the text 'hd=Monsanto seeds draw sharp fire over eu trade'. Below the search form, there are options for 'Date' (set to 'In the last 3 months') and 'Duplicates' (set to 'Off'). A 'Search' button is located at the bottom right of the search form.

If you don't know the exact title, enter the keywords you know : Monsanto seeds and eu.

From date, choose a date range.

Select **Source** from the links on the left. Enter wall street journal in the box.

Select **The Wall Street Journal** link. An orange box with Wall Street Journal will display. Remove the other orange boxes by clicking on them and selecting **Remove**.

Another method: Click **Source**. Under **My Source Lists**, select **By title A-Z**. Choose the **W** link and scroll down the list to select the publication you want: **The Wall Street Journal**.

Click **Search** to activate your search.

The screenshot shows the Factiva search interface. The search bar contains the text "hd=Monsanto seeds and eu". Below the search bar, there are dropdown menus for "Date" (set to "In the last 3 months") and "Duplicates" (set to "Off"). A "Source" dropdown menu is open, showing a list of sources. The first source, "The Wall Street Journal - All sources", is highlighted with an orange background. Annotations include: "Select a date" pointing to the date dropdown; "Select Source" pointing to the source dropdown; "Type the publication title. Select from the displayed sources" pointing to the search bar; and "You can also use the method in the box shown above." pointing to the source dropdown.

The next screen shows The Wall Street Journal bolded in orange.

The screenshot shows the Factiva search interface after the search. The search bar contains the text "hd=Monsanto seeds and eu". Below the search bar, there are dropdown menus for "Date" (set to "In the last 3 months") and "Duplicates" (set to "Off"). A "Source" dropdown menu is open, showing a list of sources. The first source, "The Wall Street Journal - All sources", is highlighted with an orange background. Annotations include: "Type keywords of the title" pointing to the search bar; "An orange box with WSJ displays" pointing to the highlighted source; "Click an orange box arrow & select the Remove option to remove those items from your search" pointing to the "Remove" button; and "Click Search to begin your search" pointing to the "Search" button. The text "NB16" is visible in the bottom left corner.
