

How can I get the full text of an article? I only found the abstract.

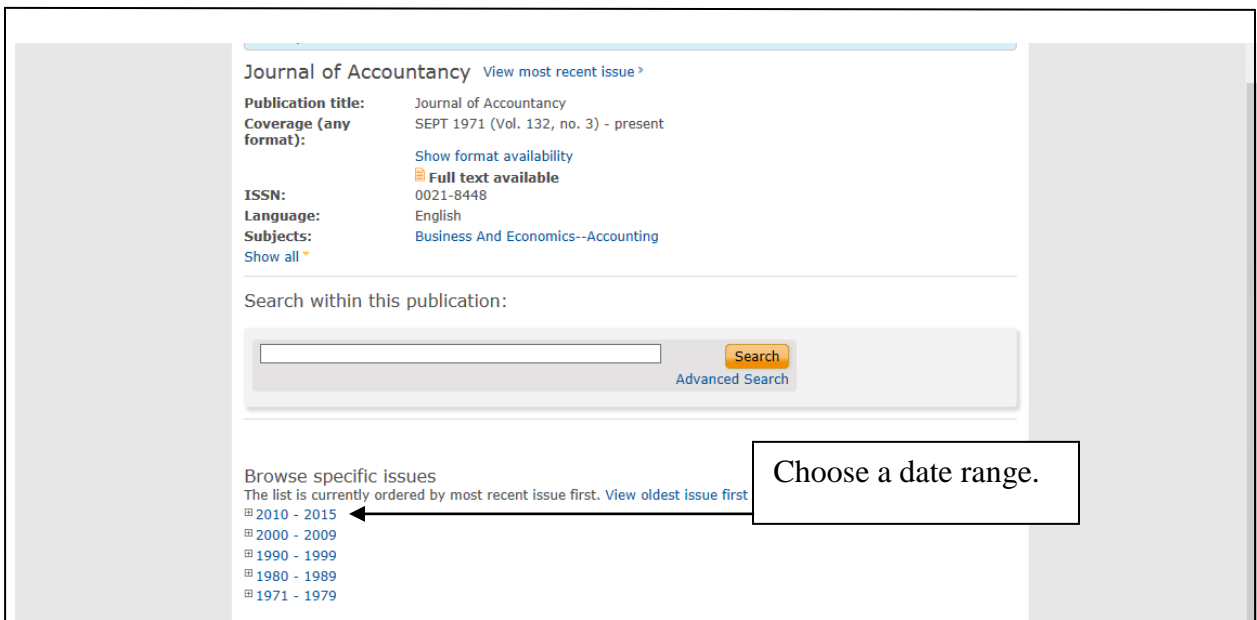

Log into the portal. On the far left select **Library** from the  **Menu** drop-down box. Then select **Databases**. Scroll down and select E-Journals Available on the Walsh Library's Online Databases.

A list of databases that index that magazine in full text will be displayed. Check the dates covered to make sure the date you need is included. In general, ABI/INFORM Complete and EBSCO Business Source Elite links are the easiest to use.

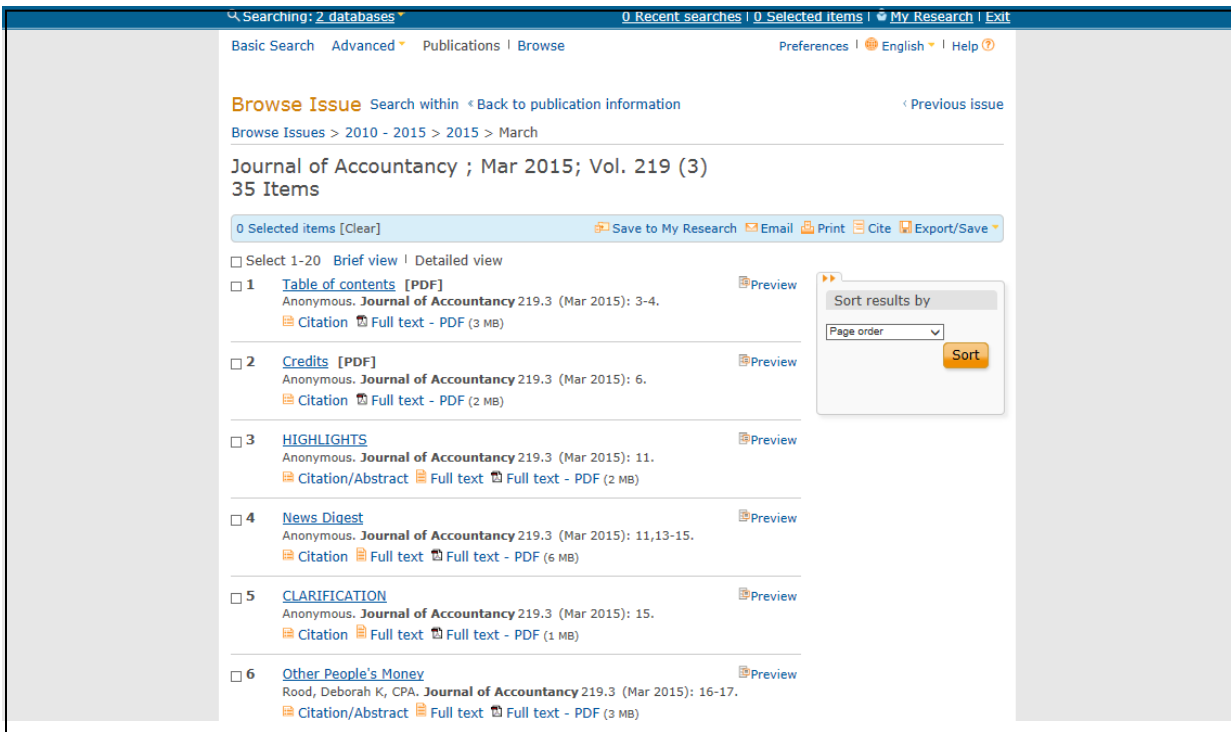

If you select **ProQuest ABI/Inform Complete**, your next screen would look like this:

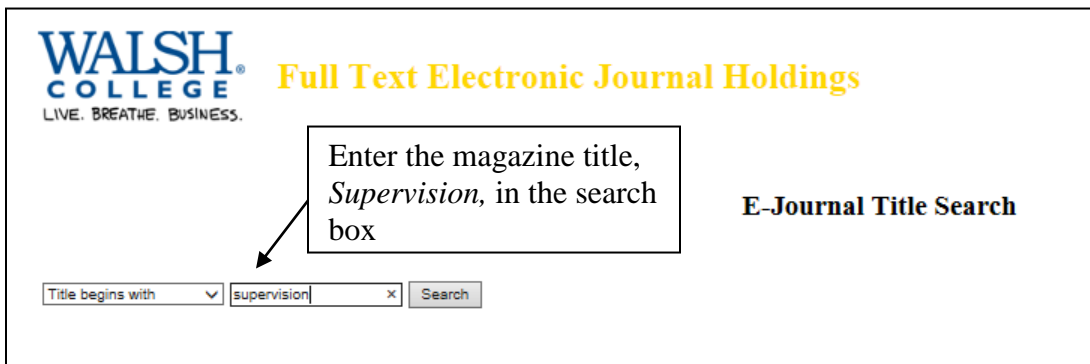

Click on the + sign until you reach the issue desired.

Selecting the March 2015 link will bring up the articles in that issue.

EBSCO Business Source Elite Database

We searched for the magazine, *Supervision*:

Select the EBSCO Business Source Elite link.
