#### Waived application fee for all participants

TROY, Mich., May 25, 2012 /PRNewswire-USNewswire/ -- Prospective business information technology students can learn more about the four IT degrees offered at [Walsh College](#) by joining this free webinar. Participants can access the webinar from their own desktop or laptop on Thursday, May 31, 12:15 - 1 p.m. EDT by registering at [www.walshcollege.edu/webinars](http://www.walshcollege.edu/webinars).

The webinar content will include an introduction to Walsh College; an overview of each program (bachelor's, master's and certificate programs); information on scholarships available; on campus and online delivery; and career opportunities.

"There is a strong demand for security professionals that understand business issues along with the technical issues," Nan Poulos, director of the Information Assurance Center, assistant professor and featured webinar presenter said. "The IT degrees offered at Walsh provide the advanced skills necessary to excel in a career."

Additionally, the webinar will cover services offered to students and alumni through the Walsh College career services department; admissions requirements, the registration process and academic calendar; and a Q&A from webinar attendees.

Summer enrollment began Monday, May 14 and summer classes begin Wednesday, June 27, 2012.

For more information on accounting degrees at Walsh College, visit: [www.walshcollege.edu/accounting](http://www.walshcollege.edu/accounting).

#### WALSH COLLEGE

Walsh College ([www.walshcollege.edu](http://www.walshcollege.edu)) is a private, non-profit, upper-division all-business college where 4,500 students study for bachelor's, master's, and doctoral degrees as well as professional certificates. The College offers courses at two campuses, three southeast Michigan university centers, and online. Faculty members integrate application and theory to prepare students for successful corporate and entrepreneurial careers, and employers value and seek out Walsh graduates for their practical business education. Walsh cultivates student and alumni entrepreneurs through the Blackstone LaunchPad and furthers education among the business community through The Walsh Institute.

Walsh College is accredited by The [Higher Learning Commission](#) of the North Central Association of Colleges and Schools ([www.ncahlc.org](http://www.ncahlc.org); phone: 312-263-0456). Specific [degree programs](#) are accredited by the Accreditation Council for Business Schools and Programs (ACBSP, [www.acbsp.org](http://www.acbsp.org)) and the International Assembly for Collegiate Business Education (IACBE, [www.iacbe.org](http://www.iacbe.org)).
