Business Briefing: Health Care Reform Part II--Free and Open to the Public

Today, Tuesday, Sep 25 8:30a to 10:30a

at **Walsh College**, Troy, MI

This presentation will focus on individual and small group insurance exchanges. It will go into detail regarding the current status of health exchanges, government subsidies and penalties associated with the individual mandate and decisions employers should make in preparation for 2014. The objective is to help employers understand their responsibilities and options with health care reform so they can determine the best strategy for their business.

Price:free

Age Suitability:None Specified
