Giving to the Walsh College Foundation

The Walsh College Foundation was established to encourage private giving and to ensure the integrity of our philanthropy program.

By supporting students, academics, and the learning environment, donors provide a vital revenue stream that helps to build a thriving economic community through educated individuals.

There are a number of ways that you can support the Walsh College Foundation. You can direct your gift to student scholarships, programs, and facilities immediately through a contribution to the Annual Fund, or you can contact our Development staff to discuss creating a specific scholarship or program.

Gifts can be made by personal check, credit card, or through the secure online donation form found on our website at walshcollege.edu/giving. You may also contact one of our Development staff members.
