

WALSH COLLEGE TRANSFER EQUIVALENCY GUIDE

MACOMB COMMUNITY COLLEGE

A LEADER IN BUSINESS PROGRAMS FOR OVER 95 YEARS

Walsh College is a private, not-for-profit institution offering upper-division business and technology degrees. Since 1922, Walsh College has continually built its reputation as one of Michigan's largest business schools. Walsh College provides students the opportunity to learn from proven business leaders who blend business theory and real-world experience to deliver educational programs that boost career success.

This guide lists the Macomb Community College equivalents to courses that are required for the bachelor's degree programs at Walsh College. This is not a complete listing of all coursework that is transferable to Walsh College.

TO BE ADMITTED:

- 60 semester credit hours** completed at the 100/1000 level or above.
- At least **30 semester credit hours** of the minimum 60 semester credit hours must be in liberal arts coursework.
 - The liberal arts coursework must include:
 - One course in **English composition or written communication** from an accredited United States institution
 - One course in **intermediate algebra or higher-level mathematics course/placement**.
- A minimum **cumulative grade point average of 2.000** on a 4.000 scale is required.

*Walsh College participates in the Michigan Transfer Agreement (MTA) and is accepted to satisfy Walsh College's minimum 30 semester credit hour in liberal arts coursework.

TRANSFER UP TO 82 CREDITS TO WALSH COLLEGE

Walsh College allows students to transfer up to 82 credits toward a bachelor's degree program. A total of 127 credits are required to earn a bachelor's degree from Walsh College, with a minimum of 45 semester credits hours (15 courses) to be taken in residence at Walsh College.

CONCURRENT ENROLLMENT OPTION

Attend Walsh College and a community college at the same time. Walsh College allows students to concurrently enroll in courses at Walsh College and Macomb Community College to maximize transfer credits. To qualify for concurrent enrollment, a student must meet the Walsh College admissions requirements and complete a concurrent enrollment form with a Walsh College advisor.
