

WELCOME TO WALSH COLLEGE

Your decision to enroll at Walsh College is a sound one. It recognizes our mutual commitment to academic and business excellence. We deliver a business education that integrates theory and application to prepare our graduates for successful careers.

Our goal is to be the preferred business-education institution for students, area employers, and the communities we serve. Whether your studies take you to our Troy or Novi campuses, or our Clinton Township, Port Huron or online locations, you can expect exceptional faculty, excellent facilities, and superb student services.

We recognize that most of our students are working adults with significant responsibilities and personal obligations. Walsh College complements these life realities with a dedicated faculty, many of whom are also business professionals. Your classroom will reflect relevant, contemporary knowledge that energizes and frames traditional business theory.

We are with you every step of the way. We want you to succeed. And we look forward to you joining the more than 28,000 Walsh alumni.

Sincerely,
