What if you gave $50?
This will help a student buy vital supplies for the semester.

What if you gave $100?
This will help a student buy books for the spring semester.

What if you gave $250?
This will help upgrade technology needed throughout the college.

What if you gave $500?
This will ease the financial burden of a student in need by providing a small scholarship.
I give back to Walsh because it provided me with the knowledge and skills to be successful. Without Walsh I would not be where I am today and would not have achieved that "99" on my audit CPA exam.

I received my degrees from one of the best business schools in Michigan, Walsh College. I give back because Walsh provided me with many great years of education and I want to see others take advantage of that for years to come.

What drives me to donate to this great institution is that I know every dollar I give contributes to a life changed at Walsh College.

Your gift enhances the educational environment at Walsh College. It provides a vital revenue stream, funding scholarships, technology, and academic enhancements which will give students an edge in their careers.

For 93 years Walsh College has made an impact on the surrounding community. The unique experiences offered by Walsh College continue to shape the lives of tomorrow’s business leaders.

As you know, Walsh students are extremely driven individuals. For many students, the school day begins after the work day ends. Students work hard to balance a work, school, and family life. This tireless dedication is what separates Walsh graduates from their peers.

The success of many of these students is due in large part to the generous contributions of our alumni and friends. Your impact, at any giving level is extraordinary.

Thank you for your continued commitment to Walsh College.
